Bankruptcy Worksheet

Clients: _____

Instructions

Please answer these questions carefully. The information you give us will be used to compile the schedules the Court requires to have your bankruptcy case approved. Your answers will determine what will be on your bankruptcy petition. Any errors, omissions or misrepresentations may seriously affect the discharge of your debts (meaning that you may need to pay them despite your having filed for bankruptcy). Discuss this with your attorney.

Where space permits, answer the questions on this questionnaire. However, do not let the size of the space available determine the extent of your response. If additional space is necessary, use a separate sheet or the back of this form, identifying by number and letter the question answered. A question asking for a date, or when something happened, can usually be answered with the month and year only. A question asking for an address must include the ZIP code, along with a complete street or post office box address.

There are many parts of the worksheet that will ask you to place a value on property that you own. Please use the following as a guideline for determining those values:

Personal Property & Household Goods: When filling out this part of the worksheet, use a "replacement value" without deductions for cost of sale or marketing. That means the price a retail merchant would charge for property of that kind considering the age and condition for the property at the time the value is determined (consignment shops, eBay, etc.). Cars should be valued by the N.A.D.A. Official Used Car Guide. Your attorney will look this up for you.

Real Property: When valuing real property (land and any structures built on it), indicate the appraised tax value from your yearly property tax statement or, alternatively, base the value upon what similar properties in your area are bringing.

The instructions in this questionnaire should answer most of your questions. In addition, we have tried to eliminate "legalese" (or lawyer talk) by using clear and simple language. Where terms are used that we feel might be unfamiliar to you, we try to provide clear definitions. Nonetheless, if you find any questions unclear, please call, as accuracy at this stage is of utmost importance.

Remember, these questions *must* be answered fully and accurately. If you absolutely cannot remember, find out, or guess with reasonable accuracy, answer "Unknown." The effort you expend now will help determine how quickly your bankruptcy can be filed and how complete your discharge will be.

Documents Needed

Not all the following documents will apply to you. However, please bring the following documents to our office when you come in to go over your completed worksheet:

Use this page as a checklist as you gather the documents

- 1. Copies of any promissory notes, Deeds of Trust, property tax statements, or contracts on any real estate you own or are buying.
- 2. Copies of any notes or retail installment contracts from banks, credit unions, finance companies or other lenders. Also, any security agreements or other documents listing your property as collateral for the purchase of cars, furniture, mobile homes, other personal property, or cash loans.
- 3. Current statements and bills from all creditors for which we do not have information. If we have pulled your credit report and entered your creditors in your case, they will be printed in this packet. Review the information for accuracy and use the additional forms to add creditors, if needed. Remember, creditors with a zero balance may not need to be included; check with your attorney.
- 4. Tax returns for last two (2) years and corresponding state income tax returns for the same period.
- 5. Pay stubs for the last six (6) months from all current employers.
- 6. Proof of Insurance. If the policy is new, please provide the "binder" which is issued until the policy is in full force. If the policy is not new, then please provide the declarations page. Insurance information must state, at a minimum, the names of the insureds (you and other drivers in the case of car insurance), the policy number, the collateral that is insured, and the loss payee (the company(ies) that have liens on the property).
- 7. All legal documents pertaining to divorces or lawsuits which are pending or which have been finalized in the past 24 months.
- 8. Copies of all life insurance policies that have a cash value. You do not need to bring copies of term life policies.
- 9. All judgments or court orders entered against you or in your favor.
- 10. All executory contracts; for instance, leases, contracts for sale or deed and lease-purchase contracts.

Creditors

Please list **SECURED** and **PRIORITY** creditors first, followed by **UNSECURED** creditors. If additional space is needed, please provide the same information on a separate page.

What is a *secured debt*? A secured debt is a debt which has collateral or security in the form of property. Houses, land, cars, large appliances and furniture are all examples of secured debts if they have not already been paid off.

What is a *priority debt*? A priority debt is a tax or administrative debt. Monies owed to the Internal Revenue Service, child support arrearages, and other taxing authorities are the best examples of priority debt. If past due child support is owed, you must provide the name and address of the agency and the recipient. However, there are many circumstances where the IRS could also be a secured (if they have a lien on property) or even an unsecured debt (if the debt is too old).

What is an *unsecured debt*? Unsecured creditors do not have any collateral to secure payment of your debt. Examples include most credit cards, medical bills, and signature loans.

EACH QUESTION MUST BE ANSWERED. IF THE ANSWER TO ANY QUESTION IS "NONE" OR THE QUESTION IS NOT APPLICABLE, WRITE "NONE" OR "NOT APPLICABLE" IN THE ANSWER BOX.

Information about Spouses.

Spouses filing jointly should fill out a single statement on which the information for both spouses is combined.

If the case is to be filed under **chapter 12** or **chapter 13**, a married client must furnish information for both spouses whether or not the spouse also files, unless the spouses are separated and the absent spouse does not join in filing.

Business Clients.

An individual client engaged in business as a sole proprietor, partner, family farmer or self-employed professional, should provide the information requested on this statement concerning all activities as well as the individual's personal affairs.

Questions 1 - 18 are to be completed in all cases. Clients that are or have been in business, as defined below, also must complete Questions 19 - 25.
